On 1-10-01 information was received from Ca. that a package was being sent to a Mailboxes Etc. location on Eastern Blvd. The package was to contain approximately nine (9) pounds of marijuana. Agent Morgan was able to identify the subject who rented the mailbox at this location. The subject was to be Tyrone James, B/M, approx. 510 to 600 and heavy build.

Officers placed a package in the mailbox for pick-up. The actual package was still located in California. The contents had been determined as marijuana, and was field tested with ^{adequate time for search warrant from 8/01 to 10/01} positive results by Agent Sipes of the California Justice Dept. Once the package was in place, officers took places of surveillance, in and around the parking lot of Kingston Square, the shopping center location of Mailboxes Etc. At approximately 1035 hrs. I observe

a silver Mitsubishi pull into the lot from the west end, nearest the Rutters. The vehicle then moved out of my sight, and was observed pulling into a parking space by other officers.

A B/M subject, matching the description entered the Mailboxes Etc. location, and exited carrying the package ^{Morgan Place package at MBE} placed there by Agent Morgan. As officers approached the subject, he dropped the package and fled on foot. He ran west toward the Rutters, and was taken into custody on the sidewalk area. He was identified as Tyrone James via Ca. driver's license.

He also had other numerous forms of identification bearing the same name, including a Social Security card. James was transported to PHO for processing. There ^{to the wallet from the time of arrest} I went through ^{illegal search was not process or arrest} two separate wallets. James possessed numerous credit cards and other forms of cards. He also possessed numerous business cards from Mailboxes Etc. from various locations. ^{Morgan Supervisor released me. I was taken back into custody by Morgan.}

(Shrewsbury, West Manchester Township) Later this date Agent Morgan spoke with an individual from Mailboxes Etc. in Shrewsbury, and was advised that James also had a mailbox rented at

their location, and there was in fact a package waiting there for pick-up. Agent Morgan and Det. Kessler responded to the location with a K-9. ^{Testify Morgan took hold of package} The K-9 indicated on the package and a search warrant was obtained by Kessler. The package contained a large quantity of cocaine. On 1-12-01 Morgan received a phone call from Mailboxes Etc. located in the Commerce Center in West Manchester Township. Morgan, Kessler and I responded to that location. Once there Morgan was advised that James did in fact have a mailbox rented at this location as well, and the box was shown to all present. Capt. Buono of YCP arrived with K-9 Yukon. Several packages, seven, including the suspect package were placed in random order and the K-9 indicated on the suspected package. I obtained a search warrant from Magistrate Haskell for the package. I executed the warrant and located a large amount of marijuana contained therein. I conducted a field test with positive results. On 1-12-01 at approximately 1400 hrs. Morgan and I had Constable Kelly bring James to Haskell's office and arraigned him on the additional charges of PWI Cocaine for the package from Shrewsbury, and PWI Marijuana for the package from West Manchester Township. Haskell committed James to YCP in lieu of 2,000,000.00 bail, cash. The package of marijuana was turned over to Agent Morgan for him to place into evidence with the AG office.

No PWI

- ① No ownership of the package (corpus delicti)
- ② Did not receive package
- ③ No physical control of package. (No Key) ^{contract} expire
- ④ No knowledge of what was in these package.
